Evaluating Information Sources Worksheet

Each group will be evaluating a different source and reporting their findings to the class. Please take notes and be prepared to make your short (5 minutes or less) presentation.

1. In the space provided below list the information source you are evaluating, including the medium (book, article, website), the format if necessary (print, electronic) and the title.

2. For what kind of information need or purpose might you use this source?

3. Refer to your worksheet and evaluate your information source according to the CRAAP criteria. Assign a score between 1 and 10 to each category and indicate why you assigned each score.

| Criterion | Score | Reason |
|------------------|--------------|---------------|
| Currency | _____ | |
| Relevance | _____ | |
| Authority | _____ | |
| Accuracy | _____ | |
| Purpose | _____ | |

3. Summarize your findings and elect someone to speak for your group.
